Mission

Revista Catarinense da Ciência Contábil is a four-monthly publication of the Regional Accountancy Council of Santa Catarina whose mission is to disseminate scientific productions in the Accounting area produced by professors, researchers, students and professionals from Brazil and abroad and selected based on the quality and its contribution to the development and dissemination of knowledge within this field.

Articles in Revista Catarinense da Ciência Contábil are unpublished and undergo an analysis and approval process by its Editorial Board (Editorial Board and Evaluators *Ad hoc*). The content and quality of the articles are the sole responsibility of the authors and do not necessarily express the beliefs of the Editorial Board.
