Mission

Revista Catarinense da Ciência Contábil is a four-monthly publication by Santa Catarina State Board of Accountancy whose mission is to disseminate the scientific production, in the area of Accounting, of professors, researchers, students and professionals from Brazil and abroad, who are selected according to the quality and contribution to the development and dissemination of knowledge within this field.

The articles published in Revista Catarinense da Ciência Contábil are unpublished and undergo a process of analysis and approval by its Editorial Committee (Editorial Board and Ad Hoc evaluators). The content and quality of the articles are the responsibility of their authors and do not necessarily express the point of view of the Editorial Board.
